## Friends of Painting opens this Saturday in SF

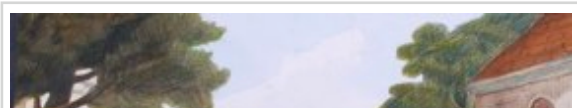

'Friends of Painting' brings two exciting emerging artists to Eleanor Harwood Gallery this week. They're friends of both Painting, and of each other. Jon Clary's surrealistic juxtapositions marry disparate places, while Bruce Wilhelm's colonial scenes, which he's sliced apart to expose abstract color pockets, marry time periods via painting styles.

The opening is this Saturday , June 20th, from 7 - 10 pm, with "a good possibility of live music as well," and runs through August 1st. Gallery hours are Thursday, Friday, Saturday, 1-5 pm and also by appointment. Eleanor Harwood is located at 1295 Alabama at 25th.
